

2017 ICCE International Conference of Civil Engineering

Asoc. Prof. Gezim HASKO

Chairman

Tirana, Albania

**Date: February, 15, 2017**

**Dear Sir/Madam,**

We would like to invite you to be a sponsor in the upcoming event of “International Conference on Civil Engineering - ICCE 2017” in Albania. The conference will be held on October 12-14 2017 in Polytechnic University of Tirana, in Tirana, Albania. This conference will be attended by officials and decision makers from academic and construction industry of Albania, Kosovo and other places of Balkans region.

The conference is the first of its type organized by Civil Engineering Faculty in Albania, so we have decided to make this great event to a great scientific and cultural festival. We invited distinguished and famous scientific people, not only from Albania but also from Balkans country and all over the world to address the conference with keynote lecturers to enrich its sessions and to highlight the latest developments in the various fields of civil engineering sciences. The conference sessions focus on interesting topics of a great impact. Such topics include subjects in Structural Engineering, Traffic and Transportation Engineering, Construction materials, Construction Technology and Management, Geotechnical Engineering, Hydraulics Engineering, Hydrology, Flooding and Water Management, Hydraulic Structures and Coastal Engineering, Environmental Quality/EIA and SEA, Water and Wastewater Treatment, Efficiency and Renewable Energy, Engineering Geodesy and Survey Monitoring, Higher Geodesy, Cartography, Photogrammetry and RS, Infrastructure of Geospatial Data and Information (NSDI), GIS, Geomatics and Geoscience, as well as Historical and Monumental Buildings and Sustainable Design.

You have the opportunity for corporate sponsorships, if you are looking for visibility during this event. This is an opportunity to see and be seen and to present your company to a motivated audience. ICCE 2017 is the first event on bringing together prominent researchers of this scientific field, well-known companies with great experience on the fields of civil engineering, academicians, engineers and students. Sponsorships range in price from 200 € to 2000 €.

I look forward to hearing from you. A detailed sponsorship form is enclosed to the letter.

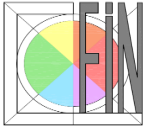

Thank you for considering the course sponsorship letter.

Sincerely,

Gezim HASKO

2017 ICCE International Conference of Civil Engineering

## Sponsorship Levels and Benefits

### First Level €2000

- ◆ Logo on the cover of event program
- ◆ Logo on the event webpage
- ◆ Logo on the course kit given to the attendees
- ◆ Flyer of the company in the course kit given to the attendees
- ◆ Your logo will have top placement on all printed marketing.
- ◆ Poster of the company in the Conference Room
- ◆ Logo on the event banner
- ◆ 5 complete registrations for the event
- ◆ Logo on the Abstract book

### Second Level €1000

- ◆ Logo on the cover of event program
- ◆ Logo on the event webpage
- ◆ Logo on the course kit given to the attendees
- ◆ Poster of the company in the Conference Room
- ◆ 3 complete registrations for the event
- ◆ Logo on event banner
- ◆ Logo on some printed marketing.
- ◆ Logo on the Abstract Book

### Third Level €200-500

- ◆ Logo on the cover of event program
- ◆ Logo on the event webpage
- ◆ Logo on the event banner
- ◆ 1 complete registration for the event
- ◆ Logo on the abstract book
